Kathy Kinsella's Leadership and Track Record

EXPERIENCE:

Currently in her third term as Highway Superintendent, Kathy has strengthened the department so that it:

- Responds to community needs
- Communicates openly with the public
- Collaborates with citizens and other municipalities

LEADERSHIP:

Kathy is a pro-active leader on local safety and traffic concerns, and an efficient and knowledgeable manager. She has successfully:

- Reformed policies and procedures for department management, purchasing, technology and communication

- Increased productivity
- Secured numerous project grants in a tough economy
- Crafted local laws
- Developed budget and purchasing guidelines

RESULTS:

Kathy works for us full-time as a leader in town government. Her innovative management skills have:

- Improved traffic safety
- Reduced costs and increased revenue
- Preserved our infrastructure
- Restored historic bridges and culverts
- Repaired failing roadways
- Implemented green initiatives
